

Techie's Space Offer [2023]

Join our community & plan your event at **Techie's!**

powered by  CODETE

Get to know us!

Techie's Space is an initiative that gathers technology enthusiasts who create our IT community.

Our (hi)story started in 2021, when we decided to create a place where IT fans can meet, talk, share their interests, but also try some yummy snacks and drinks.

In January 2022, despite all of the pandemic difficulties, we opened **Techie's resto-bar** - space with decor referring to oldfashioned forms of programming. Soon after, meetup groups started to visit us regularly, and Techie's became a perfect spot for meetings dedicated to technology.

Starting from January, 2022:

- about 40 meetups took place,
- about 1 000 participants visited our events!

You can organize open meetings, networking events, meetups, and closed trainings at Techie's.

Join Techie's Space community!

You'll find us at Na Zjeździe 11 street, 30-527 Krakow

Our office building is located in Podgórze district, on the south of the center of Krakow. This spot is perfectly communicated with the entire city, thanks to the proximity of tram and train lines (approx. 300 m from Krakow Zabłocie train station).

Our event area ready for your initiatives contains of aprox. 40 m² room available for the smaller events for 40 participants, and aprox. 80 m² restaurant area open to 80 people.

Techie's - restaurant area available for open events

- **aprox. 80 m²**
- **aprox. 50 seats**
- **up to 80 participants**

Available equipment:

- **multimedia projector: NEC P554U**
- **screen: Kauber Clear Vision 16:10 300 cm, with no frames /300x188cm/**
- **sound system: RCF ART 712-A MKIV**
- **camera: Logitech Brio 4k**
- **interface: Mackie Big Knob Studio Plus**
- **wireless microphones: 2x HT 40 mini Pro**

Training room - closed area

It is isolated from the restaurant, so you can smoothly conduct your event. You can use restaurant services after the meeting and plan your networking activities in a casual atmosphere.

- **approx. 40 m2**
- **approx. 40 sitting places in the theatrical shape**
- **approx. 23 sitting places perfect for workshops**

Available equipment:

- **multimedia projector: NEC M403H**
- **screen: Kauber Clear Vision 16:10 300 cm, with no frames /300x188cm/**
- **sound system: RCF ART 712-A MKIV**
- **camera: Logitech Brio 4k**
- **interface: Mackie Big Knob Studio Plus**
- **wireless microphones: 2x HT 40 mini Pro**

Additional amenities

- air conditioning - each room is equipped with several air conditioners
- toilets - women's and men's restrooms in the restaurant area
- day light access + blackout option (window blinds)
- wifi - for the participant's use
- flipcharts, pens, markers, etc.

Techie's team will prepare snacks and drinks for your event. Their speciality, finger food, hits every taste, but they are ready to face any culinary challenge, so the menu will be tailored to **your needs**.

While visiting Techie's, you can additionally order:

- home-made tacos served by Techie's team
- craft beer from **14 different taps**
- original cocktails
- freshly ground coffee by **BeMyBean**
- lunch served from Monday to Friday, from midday to 4 pm

Do you have more questions?

Are you thinking about organizing your event with us?

Drop us an email or let's have a coffee:
